The 5th April 2017

SUBJECT—Modification of delegation of powers to Assistant Conservator of Forests as per the Odisha Forest Code, 1979.

No. 6893—FE-FE2-MISC-0002/2017-F&E.— After careful consideration, Government have been pleased to delegate the following powers and responsibilities to the A.C.F. as per the Odisha Forest Code, 1979 :—

1. As per the Odisha Forest Department Code, 1979 every officer who is authorized to receive and disburse Government money should maintain a cash book. Accordingly, a cash book is being maintained by the Range Officer and Divisional Forest Officer in which the entry of all money transaction is made. To execute works in the field, Range Officer submits requisitions of fund to the DFO based on which DFO releases forest advance to the R. O. As per delegation of powers to the Assistant Conservator of Forests, vide No. 2F (Assn.)-1/88 (pt.)-7873 FFAH., dated the 3rd April 1989, the ACFs stationed at Divisional Headquarters and outside the Divisional Headquarters will have to scrutinize the requisition for forest advance of the Ranges under his/her charge. The above ACFs are also delegated with the powers of field checking of muster rolls and measurement books in respect of their jurisdictions. In absence of proper password in the chain of accounting procedure for checking requisition submitted by Range Officers, ACFs being the field supervising officer are unable to go through the instructions of higher office to the Divisions and from Division to Range Office through IFMS and e-mail regarding financial allotment and fund released for execution of various departmental works. Hence, it has been decided to allow them password(s) for all online transactions made by the Division through IFMS to have a transparency in accounting procedure and proper implementation and monitoring of departmental works.
2. The delegation of powers to ACFs vide Government order under reference is silent about duties of ACFs for protection of forests and wildlife. As a result, for any illicit felling or poaching, it is the Range Officer and DFO, who are responsible and ACFs cannot be held responsible. It is now decided that ACFs will also henceforth be responsible for any protection problem leading to illicit felling, poaching, encroachment or forest fire wild animal depredation etc. in the Ranges under their jurisdiction. They will supervise the protection works of subordinate staff and the squads.
3. ACFs shall also be responsible for attending the meeting on behalf of DFO in various offices within the Division or outside as decided by the DFO.
4. Keeping in view of delegation of powers, it is also decided that ACFs shall take active part in execution of all technical works as per the prescribed methodology in the working plans/schemes, management plans etc. They shall be held responsible for the correctness of all the technical works to be executed within their jurisdictions.
